## **Charlestown State Park hosts hikers**

Explore Charlestown State Park's Trail 2 with Naturalist Bett Etenohan on Saturday, February 5 at 1:00 p.m. Trail 2 is approximately 1 mile long and is listed as moderate on the park's trail map. Moss, ferns and lichen are abundant along the trail and add an unexpected bit of color to the winter landscape. The hike will last about 2 hours. Meet at the Trail 2 parking lot, dressed for the weather of the day.

The park is located on State Route 62 in Charlestown, just twenty minutes from I-65. There is no entrance fee during the winter months.
